Things to keep in mind the Field Day location is Remote there are no services available in Elk Creek ie. No store or Gas available.

There is a good restaurant open Thursdays – Sundays in the town of Elk Creek.

It would be highly recommended to have gas and any items you would need for the weekend on hand before leaving Willows or Orland. It is recommended you bring items to eat and water for drinking.

Also, Cellular service at the Field Day location is spotty to none so please keep this in mind. There is also no Internet service. We may deploy Starlink not known yet if we will.

We Will Be monitoring the N6YCK repeater and simplex 146.580 no tone.
